

## **Momentum: Women/Art/Technology Calls for Participation**

### **MOMENTUM DIRECTORY**

The Institute for Women and Art (IWA) **invites you to participate in the *Momentum* Directory**, a networking gateway linking the public to women and transgender artists who embrace varied technologies in their artistic production, and other arts professionals who engage in critical explorations in the field of gender, feminism, art, and technology.

Visitors to the site will be able to link to participants' websites, giving equal access to emerging, mid-career, and establish professionals, thus creating a connection between them across geographic, economic, generational boundaries.
